IMPORTANT NOTE

The information in this earnings calendar has been compiled from a range of third-party sources, based on their estimates of when individual companies are expected to release their earnings results. While every effort has been made to ensure the information is as accurate and current as possible, some dates are estimates and may change as companies approach their respective reporting periods. The dates shown should therefore be treated as indicative only, and may be amended closer to the actual release date.

Traders and investors should always check the relevant company's official website or ASX announcements for confirmation of expected earnings dates, and any subsequent changes, before making any investment or trading decision based on this information.

REPORTING CALENDAR
